\*When first issued in 1878, the eagle on the Morgan dollar's reverse had 8 tail feathers. Instructions to change the number of tail feathers from 8 to 7 resulted in a number of exciting varieties from that year.

In 2021, special collector issues were released in 99.9% pure silver to honor the series' 100th anniversary. These coins will be struck in additional years at the mint's discretion. They were not issued in 2022.
